THE STEFANO BRAND WAS BORN 5 YEARS AGO FROM THE DESIRE OF OFFERING A TRADITIONAL ITALIAN TOMATO SAUCE IN GROCERY STORES. A SAUCE LIKE OUR MOTHERS WOULD MAKE—AUTHENTIC, SIMPLE, AND DELICIOUS.

My partner Michele Forgione and I created the first four flavours in 2017. Entirely prepared in Canada with Italian tomatoes from the Striano region in Italy, our sauces quickly won over Canadians.

Naturally, we wanted to extend our knowledge and convictions to other products. The Stefano brand now has a product line of over 50 products ranging from pastas, to sausages, meatballs, soups, tiramisù, panettone, coffee, and more. All of our products continue to be imagined with the same attention to detail and the choice of simple, authentic ingredients.

BUON APPETITO!
